Presentation and discussion on near term and long term sewer capacity for the Town of Loomis

Recommended action: Appoint two Councilmembers to participate with two SPMUD Board Members as an Advisory Ad Hoc committee to further study and develop a long range solution to the current sewer limitations

Public comment:

Charles Clark, South Placer Municipal Utility District General Manager, stated the following:

- most of the current sewer lines in Loomis are at capacity
- Loomis hasn't pushed to have any development in the past
- the District is on a first come first serve basis
- he suggested establishing an advisory committee with two appointed from SPMUD and two from the Town Council to work on solutions

Pat Cannon, a developer that purchased a 9 acre parcel adjacent to Lorenzo's on Taylor Road, stated the following:

- they were approved to build a subdivision and submitted it to SPMUD, then 2007 hit and they were not able to proceed
- now they are ready to build but they are told SPMUD can't provide the service and it will be five years before it can be done
- we are in the first year of a building cycle which usually lasts for 5 years
- he asked Council to look into a short term fix and then work on the big fix

Mayor Wheeler stated that he would like to be on the Advisory Committee along with the Mayor pro tempore Rhonda Morillas.

8. **Thursday Night Family Fest Agreement**

Consider an Agreement with the Loomis Basin Chamber of Commerce and issuance of a Community Mini-Grant in the amount of \$3,000

Recommended action: Approve the Agreement and issuance of a Community Mini-Grant in the amount of \$3,000, subject to final form approval by the Town Attorney

Public comment:

Tim Plummer stated the following:

- they started this four years ago
- he expounded on the history of the event over the years which led to partnering with the Chamber in 2014
- they would like to keep the vendor rates down
- it will probably take about \$3000 a year to keep the event going

Jenny Knisley, Loomis Chamber of Commerce, stated the following:

- the Chamber Board met and talked about merging Loomis Has Talent with the Thursday Night Family Fest
- the local businesses also benefit from this event
- the Chamber cannot take this event on alone but they can help promote it and work on ways to bring more people in town

Pat Brechtal, Chamber of Commerce President, stated the following:

- Tim Plummer and Marie Blomgren put in a lot of their time to put this event on
- the Chamber will prosper from this event and will save by including Loomis Has Talent event at the same time
- the Chamber would like to have one of the Thursday night events to allow the Chamber members to have a booth and be part of the event
- they don't have a budget for this and are asking the Town for assistance

Following further discussion on the matter, a motion was made to approve the agreement and issuance of a Community Mini-Grant in the amount of \$3,000, subject to final form approval by the Town Attorney.
